THE

MARTZ FAMILY

1959

1874166

P R E F A C E

THIS BOOK IS DEDICATED TO THE MARTZ FAMILY

With the help of Mrs. Goldia Decker, Indianapolis, Ind., Mrs. Martha Maciejewski, Chicago, Ill., Secretary of the Martz reunion in 1958 and members of the Martz Family this membership list was assembled. The entire book was developed around the family tree drawn and progressively developed by Mrs. Virgil Baker of Indianapolis, Indiana. The center is a reprint of the picture of the tree in her home.

This book is far from being complete as many dates, addresses and possibly members of the Martz Family are not included. This is not an intentional oversight as our inquiries did not give us this information. However, we have tried to arrange this book so dates, names, addresses, etc. can be supplied to your Secretary for 1959 and at the reunion in 1960 all members can bring their books up to date.

The thinking behind this is to try and help the newer generations to understand who their ancestors are-and what is their relationship; thereby creating an interest with them to continue the closer acquaintance and relationship at these reunions.

Respectfully submitted to members of the Martz Family by your President in 1958.
